*For generously sharing their data and models with us, we thank Alan Abramowitz, James Campbell, Robert Erikson, Ray Fair, Douglas Hibbs, Michael Lewis-Beck, Andrew D. Martin, Kevin Quinn, Stephen Shellman, Charles Tien, & Christopher Wlezien. This project was undertaken in the framework of an initiative funded by the Information Processing Technology Office of the Defense Advanced Research Projects Agency aimed at producing models to provide an Integrated Crisis Early Warning Systems (ICEWS) for decision makers in the U.S. defense community. The holding grant is to the Lockheed Martin Corporation, Contract FA8650-07-C-7749. All the bad ideas and mistakes are our own.
